LIBRARIAN'S REPORT

January 2, 1945

To the Trustee's of the Chesterfield Library:

Herewith is presented the annual library report.

It being decided to coincide with the Town Year we are giving a report on the past eleven months.

Last year the interest from the Library Trust Funds was not received until after the January meeting. Thirteen books were purchased and marked as a gift from the Etta Hubbard Fund for 1943. The titles follow:

Wild Grizzlies of Alaska
Leathernecks
Indian Art
Career in Aviation
Elements of Chemistry
And They Shall Walk
They Also Ran
George Washington Carver
Pegs of History
Watch Words of Liberty—Juvenile
First the Flower and Then the Fruit—Juvenile
Teenie-Weenie Land—Juvenile

The following list of eleven books were marked gifts of the Etta Hubbard Fund for 1944.

Keepers of the Faith—Loring
Penny and Pam, Nurse and Cadet—Deming
Building of Jalna—DeLaRoche
Lusty Winds of Carolina—Fletcher
Dogs at War—Goring
Blood on the Snow—Lawrence
The Heart has April too—Taber
Long Trains Roll—Meader
How Dear to My Heart—Kimbrough
By Valour and Arms—Street
Real Tales of Real Dogs—Terhune

For the eleven months ending December 31, 1944 the Central library had a total circulation of 4,469 volumes. Despite the short year we again have an increase of 724 books loaned.

West Chesterfield reports 1,071 books loaned during the year. This is an increase of 61 volumes.

Spofford loaned 675 books. Of these 423 were adult fiction, 51 adult non-fiction and 201 juveniles.

The total circulation in the three libraries showed an increase of 707 books. Again we find these figures prove the libraries are needed in our community.

The circulation at the main library was divided as follows:

Adult Fiction,	1,642	Adult non-fiction,	703
Juvenile Fiction,	1,766	Juvenile non-fiction,	358

225 books were sent to Spofford during the year and 206 books were sent to West Chesterfield.

The following persons donated books to the library:

Mr. and Mrs. Ralph F. Dutton
Mrs. Walter Dunbar
Mr. Lee Bowman

Yale University Press and T.V.A. Publishers made donations. Charles Nurse and John Nurse Jr. each presented a book to the children's department.

Several sets of magazines were brought to the library this fall and they have been used extensively.

The books added to the collection were in the following groups. Adults purchased 113, gifts 32, total 145. Of this number 46 were non-fiction. Juveniles purchased 81, gifts 5, total 86. Of these 15 were non-fiction. Total of all additional books this year, 231.

The patrons register shows 21 new names in 1944.

Respectfully submitted,

SUSIE MORRIS,
Librarian.

REPORT OF THE BOARD OF HEALTH

In July 1944 some excitement was caused by a large amount of scum upon the water of Spofford Lake. Mr. Evan C. White, Health Officer of Keene, N. H., generously contributed his time and knowledge to help take water samples and send them to Concord, N. H., for analysis, which proved to be pollen from certain trees around the shore of the Lake.

At a later date two men came from Concord, N. H., and took several more samples from the Lake and all came back marked no criticism.

A sample of water was taken from the Pump at the Town Hall in Chesterfield, N. H., and sent to Concord for analysis and came back as follows: Although bacterially satisfactory at time of collection, this sample showed grossly excessive chloride (35.9) with increased hardness this indicative of sink drainage or seepage from a salt refuse deposited near the source. Not to be regarded as satisfactory.

To be regarded as dangerous when conditions indicate a privy or cess-pool as being the probable origin.

As no privy or cess-pool is located nearby it does not seem the use of the water would be dangerous.

No complaints about the sanitary conditions of the beaches at the Lake were received therefore they must have been satisfactory.

Eighteen Milk licenses were issued for the sale of Milk and Cream, seven of which were issued to buy and sell Milk and Cream at two dollars each as follows: Paul Penning, Henry Chickering, William Manch, Harry Nosek, Clifford Tuttle, Byron Davis, and John Redding.

Respectfully submitted,
HAROLD E. RANDALL,
Health Officer.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Chesterfield:

I herein submit my second annual report as superintendent of Schools.

The problems that confront the American system in general have become much more acute since my last report. The teacher shortage, the scarcity of materials, and the lack of home supervision for pupils due to the total war effort are sample issues. Despite these shortages our school district has been able to provide the facilities and personnel necessary for good schools.

The maintenance of a modern school plant is an investment of increasing significance. The new challenge of "Education for World Understanding" implies many new responsibilities. The peace and happiness of the post-war world will depend on the democratic ideals of those who govern it. Universal education, with cooperative purposes which are acceptable to all nations, is the means of this objective. This new and broader concept of education implies that our schools in general must be strengthened if we are to win and maintain the peace.

The school plants at Spofford, Chesterfield and West Chesterfield, provide very well for the health, safety and welfare of the pupils. Several additional facilities might be provided when conditions permit. Careful maintenance is now the most significant factor in upholding standards.

During the last summer vacation the schools were completely cleaned and refinished. The furniture was resurfaced and the playground equipment painted.

New textbooks have been provided for all pupils in the district for the study of Spelling and Arithmetic. Many revisions have been made in the Reading and Social Science Program. Further revision is desirable and will probably be completed as soon as the supplies are available.

The Parent and Teacher Association has a constructive program and stimulates the cooperation between the home and school.

ORGANIZATION

School	Teacher	Total Enrollment 1943-1944
Spofford Primary,	Hazel Clement,	20
Spofford Grammar,	Rita Baker,	19
Chesterfield Primary,	Helen Robinson,	22
Chesterfield Grammar,	Laura G. Atema,	28
West Grammar,	Ruth A. Hill (9 weeks), Alice P. Bothwell (27 weeks)	27
West Primary,	Mary F. Olds,	36
Total,		152

At the beginning of the present school year, Priscilla Mills of Keene, a graduate of Keene Teachers College, replaced Rita Baker at the Spofford Grammar School. Doris Heath of Warner, also a graduate of Keene Teachers College, replaced Helen Robinson in the Chesterfield Primary School.

PROMOTIONS

The following number of promotions in respective grades were made in June:

School	Grades								
	I	II	III	IV	V	VI	VII	VIII	Totals
Spofford Pri.,	4	1	6	6					17
Spofford Gram.,					6	1	4	6	17
Village Primary,	3	2	5	5					15
Village Grammar,					5	8	5	5	23
West Primary,	8	6	4	12					30
West Grammar,					6	10	2	8	26
Totals,	15	9	15	23	17	19	11	10	128

The large difference between the total number of pupils promoted and the total number of pupils enrolled does not determine the number retarded due to the fact that 19 pupils became non-members during the school year.

The usual standard tests and graduation examinations were given.

HONOR ROLL

Pupils neither absent nor tardy for entire year:

Merrill P. Cobb
Marilyn Chickering
Lorraine M. Crowell
Alice R. Grimes
Eloine E. Foster

EIGHTH GRADE GRADUATION

The three schools united in presenting the following graduation program in the Town Hall on June 14, 1944. Honor parts were determined from the results of the final examinations.

The schools have cooperated in every way with the war effort and made an outstanding contribution to the milkweed pod collection campaign. Over a million bushels of this vital material, which is used for the manufacture of life preservers, were collected last fall by the school children of America.

I think we are fortunate to maintain the present teaching staff.

In conclusion, I wish to thank the teachers, parents, citizens and school officials for that cooperation which is most essential in public education.

Respectfully submitted,
JOHN H. FRYE,
Superintendent of Schools.

Burnham be nominated, and that the Clerk be instructed to cast one ballot for C. M. Burnham. The Clerk performed his duty and the Moderator declared Mr. Burnham elected. Mr. Burnham declined to serve. It was moved, supported, and carried that Harold E. Randall be nominated and the Clerk cast one ballot for Mr. Randall. It was done, Mr. Randall was declared elected, and took the oath of office from the Clerk.

2. To choose a Clerk for the ensuing year.

A motion was made, supported and carried that Oscar M. Polhemus be nominated as Clerk. It was done. Mr. Polhemus was declared elected and received the oath of office from the Moderator.

3. To choose a member of the School Board for the ensuing three years.

Pauline F. Record was nominated and on motion properly made, supported and carried was elected by the Clerk's casting one ballot for Mrs. Record. She was declared elected and took the oath of office from the Moderator.

4. To choose a treasurer for the ensuing year.

Evelyn L. Winn was nominated and on motion made, supported and carried, the Clerk was instructed to cast one ballot

for Mrs. Winn. Mrs. Winn was elected and received the oath of office from the Moderator.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other Officers or Agents of the District.

On motion by Mrs. Pauline F. Record, duly supported and carried, this article was passed over.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

No reports were submitted, but Mrs. Jessie Farrington spoke on making a Post-War project of the consolidated school idea as presented some years ago. On motion of Mrs. Farrington, duly supported and carried, the School Board was instructed to appoint a committee composed of representatives of the three sections of the town to study the matter and make a report to the District.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant. On motion of Harry Winn, duly supported and carried, it was voted that the Town Auditors serve as Auditors for the District.

8. Under this article, Mrs. Alice Spaulding moved that the sum of ($14,749.37) fourteen thousand seven hundred forty-nine dollars and thirty-seven cents be raised for the ensuing year for the support of public schools and the payment of the statutory obligations of the district. It was properly supported and carried.

9. On motion of Mrs. Agnes B. Chickering, this article regarding an audit by the Municipal Accounting Division of the State Tax Commission was passed over in proper form.

10. To see if the district will vote to raise the sum of $2,600.00 to pay in whole or in part the cost of the transportation of every student residing in the town who is qualified and desirous of attending high school, payment to be made at the rate of not more than $1.50 per week per pupil for those travelling more than fifteen miles per day. The details of carrying out the provision of this article are to be left to the discretion and judgment of the School Board with power to act.

After the Moderator read the article, Oscar M. Polhemus asked permission to ask the School Board a question. Before asking the question, Mr. Polhemus stated that he had "fathered" an article regarding the transportation of high school pupils, that he had secured the necessary signers, but that the article as in the warrant was not as it had been given to the School Board. His question followed, "Why had the Article been changed?"

Mrs. Agnes Chickering stated that the Article had been incorrectly copied into the warrant, that they were very sorry, etc., that the Board thought that if the money were raised, it could be expended as indicated in the Article as submitted by Mr. Polhemus. Some discussion followed. Mr. Polhemus stated that the article as he had submitted it to the Board contained provisions for paying transportation at the rate of $1.50 per pupil per week for those travelling fifteen miles or less per day, and for paying transportation at the rate of $2.00 per week per pupil for those travelling more than fifteen miles per day. The purpose being to pay $1.50 per week for students attending high school in Brattleboro or Hinsdale, $2.00 per week for those going to Keene. He expressed the hope that the article as stated in the warrant would be passed over.

Much discussion took place under the consideration of the article, and somewhere near its beginning, C. M. Burnham moved that the article be passed over. Mr. Merrifield supported the motion and Walter J. Post demanded the vote be made by ballot. When this was finally done and the votes counted, the article was passed over. The ballots showed sixty in favor of passing over the article, thirty-one against and one ballot was void.

There being no further business, the meeting adjourned in proper form at 3.08 p. m.

Respectfully submitted,
OSCAR M. POLHEMUS,
Clerk.

ANOTHER ENEMY TO CONQUER

Here is a home front fight that everyone can get into. Last year in this State 558 brush and forest fires burned over 4,648 acres of land, of which 2,788 acres were valuable timber and young growth. With available manpower the lowest of any year since the war started, you can help to keep this loss down by preventing these fires from starting.

Keep in mind these simple rules:

1. **Always get a permit from your forest fire warden before starting any fires in the open. Burning under certain conditions is permitted.**

2. **Never burn unless you have enough help to control your fire—a permit does not excuse you of negligence in case it gets away.**

3. **Always report any uncontrolled fire promptly to your forest fire warden. Minutes lost are acres lost.**

4. **Be especially careful with cigarettes, matches and pipes. Smokers caused most of our fires.**

5. **Never leave a fire unless it is dead out. You can't feel safe while there is a spark left.**
